

Name: Marjon Souza
Title: Administration Manager
For: Professional/Staff Person

Bio: Marjon has been working for the Summerland Sanitary District for 31 years and has gone from a part time clerk to the position of Administrative Manager handling everything except the field plant workings

Why: Marjon is indispensable for the small district as she is clerk of the board to handling county and state requirements required for the sanitary board . She has developed a third sense of where and what the district needs for the present and future direction

Nominated by: David Novis
Summerland Sanitary District
Past President of the Board
